

P4 Task Mat

IDL

Choose one of your toys. How could you describe it? Try making a list of adjectives.

For example: fluffy, white, polar bear
Then make a poster describing it. You could also add a picture.

NUMERACY

Number

Follow the link to complete a set of 10 daily mental math questions.

<https://www.topmarks.co.uk/maths-games/daily10>

Use www.topmarks.co.uk to practise your recall of addition, subtraction and other number games.

For problem solving activities, have a look at www.nrich.maths.org/primary

Money

Look and money within the home and try and practise using this in real life situations. Make a shopping list or set up a shopping role play and practise giving change from different amounts.

WRITING

Using a story book from home; can you

- draw a story map of what you have just read including all the main points
- write a summary of the story including all the main points
- design a different front cover for the book. Make sure you include the author and title.
